Glass bottle GLASSI 480 ml

Code: **16207-01S**

Price: **€3.90** Net

The GLASSI 480 ml bottle is an environmentally friendly alternative to plastic bottles. It is made of glass, thanks to which it is not only ecological, but also does not change the taste of beverages. A silicone strap in various colours makes it easy to hold, prevents burns and slipping of the bottle from hand. It is also a distinctive feature of the bottle. The bottle is suitable for beverages with a maximum temperature of 60 ° C. NOTE - lower capacity. We will not accept complaints for this fault.
