

Multifunction tool BARDI

Code: **29185-02**

Price: **€2.00** Net

The BARDI multitool is a compact tool that will fit in any pocket or bag, providing access to essential functions in one place. The main components of the BARDI tool are two exchangeable bits: a flat and cross bit, which will allow you to quickly tighten or loosen most screws available. An additional feature of the BARDI tool is the built-in 1 metre long tape measure.
